

5<sup>th</sup> Swiss

# SAKK Translational Urogenital Cancer Network Meeting

November 7 & 8, 2024

Sorell Hotel Ador

Laupenstrasse 15, 3001 Bern

With clinical  
oriented and basic  
research keynote

SGMO 5 Credits  
SGU 4 Credits  
SRO 6 Credits

This year,  
two awards will  
be presented.

# Agenda

Thursday, November 7, 2024

17:00–17:10	<b>Welcome to the 5<sup>th</sup> SAKK Translational Urogenital Cancer Network Meeting</b>	Prof. J-P. Theurillat
17:10–17:40	<b>Urothelial basalization and potential reversal of bladder cancer field effect</b>	Prof. B. Kiss
17:40–18:10	<b>Analysis of in situ tumor biology by multiplexed imaging towards precision medicine</b>	Prof. B. Bodenmiller
Afterwards	<b>Networking Apéro</b>	All

Friday, November 8, 2024

Presentation (15min.) and Discussion (5min.)

08:30–08:40	Welcome	Dr. C. Le Magnen
08:40–09:00	<b>A patient-derived bladder cancer organoid biobank for translational research and precision oncology</b>	Dr. Michele Garioni
09:00–09:20	<b>A phase II trial of High-dose Androgen Therapy (HAT) and PARP-inhibition in castration resistant prostate cancer patients progressing after novel androgen therapy (ISOTONIC)</b>	Dipl. med. Silvan Sigg
09:20–09:40	<b>Disrupting the PDGFR<math>\beta</math>-driven progression signature leads to enhanced control of bladder cancer</b>	Dr. Hajar El Ahanidi
09:40–10:00	<b>Immune regulation of castration resistant prostate cancer</b>	Dr. Julie Terzic
10:00–10:30	Coffee Break	
10:30–10:50	<b>The role of preoperative immunonutrition on immune responses and gut microbiota after cystectomy</b>	Dr. Ilaria Lucca
10:50–11:10	<b>An organoid based co-clinical trial in metastatic prostate cancer</b>	Robin Dolgos
11:10–11:30	<b>Non-muscle-invasive bladder cancer molecular subtypes and clinical applications</b>	Dr. Katayoun Falamaki
11:30–11:50	<b>Targeting FOXA1 and FOXA2 disrupts the lineage-specific oncogenic output program in prostate cancer</b>	Nicolò Formaggio
11:50–13:00	Lunch Break	
13:00–13:30	Wrap-up and Award Ceremony	All

Presentations and key note lectures are open but limited to max. two representatives from industry per company according to sponsor package.

## SCIENTIFIC COMMITTEE

Prof. Dr. med. Jean-Philippe Theurillat, IOR | PD Dr. med. Petros Tsantoulis, HUG | PD Dr. med. Mohamed Shelan, Inselspital Bern | Dr. Clémentine Le Magnen, USB

## AWARDS

This year, we will present two awards. Please send your application to [events@sakk.ch](mailto:events@sakk.ch) by September 30, 2024.

### SAKK / ASTELLAS & ASTRAZENECA GU-ONCOLOGY RESEARCH AWARD

The Swiss Group for Clinical Cancer Research (SAKK) and Astellas & AstraZeneca are pleased to announce an award for 10 000 CHF aimed at supporting ongoing translational GU oncology research. The award is sponsored 50% by AstraZeneca and Astellas each. For more details contact our website [www.sakk.ch/awards](http://www.sakk.ch/awards).

### SAKK / NOVARTIS TRANSLATIONAL PROSTATE CANCER RESEARCH AWARD

The Swiss Group for Clinical Cancer Research (SAKK) and Novartis Pharma Schweiz AG are pleased to announce an award for 20 000 CHF aimed at supporting ongoing translational prostate cancer research. For more details contact our website [www.sakk.ch/awards](http://www.sakk.ch/awards).

In case of any questions relating to the presentations, please contact Jean-Philippe Theurillat [jean-philippe.theurillat@ior.usi.ch](mailto:jean-philippe.theurillat@ior.usi.ch). For presenters of projects, participation at the event is free of charge (hotel and registration).

## PARTICIPATION FEE

CHF 160

## ACCOMMODATION

Accommodation is not included in the registration fee and must be booked by the participant directly. We do have provisional reservations at the Sorell Hotel Ador - if needed, please let the Hotel know you are a participant from the SAKK Translational Urogenital Cancer Network Meeting.
