**SAKK Presidency:  
Election at the General Assembly on May 21, 2025**

Dear Members of the SAKK Network,

As announced at the last General Assembly on November 18, 2024, the maximum term of office of our current President, Prof. Miklos Pless, ends after 15 years in November 2025.

In order to ensure an appropriate introduction to the activities of the SAKK Board as well as to enable a thorough onboarding of the President-elect, it is necessary to elect the new president at the General Assembly on May 21, 2025.

We are therefore calling on all interested candidates to apply for the position of the SAKK President.

Candidates are elected for SAKK presidency with a regular term of 3 years. They may be re-elected and hold presidency for a maximum period of 6 years and/or 15 years of membership in the SAKK Board.

Candidates are requested to send a curriculum vitae (without publication list) as well as a motivational letter to the election office, Natascha Backes ([Natascha.Backes@sakk.ch](mailto:Natascha.Backes@sakk.ch)), by **March 31, 2025**, at the latest.

For any questions regarding the presidency please contact the current president Prof. Miklos Pless ([miklos.pless@sakk.ch](mailto:miklos.pless@sakk.ch)) or the president of the search committee Prof. Urban Novak ([urban.novak@insel.ch](mailto:urban.novak@insel.ch)).

Best regards,

Prof Miklos Pless  
President SAKK

Prof Sacha Rothschild  
Vice-President SAKK

*Urban Novak*
